

LEADERSHIP DEVELOPMENT WITH COURAGE

Because leaders need to make a difference
before the innovations they champion can make a difference

**Leadership Coaching • Workshops • Talent Assessments
Culture-Shaping + Customer Success • Pitch Prep
Growth Journeys to Revitalize Teams**

By the hour, by the project or at your side until funding, revenue or other growth milestones are achieved, Courage is your trusted leadership development partner to...

- **Scale** for success - so ambitious high-potential leaders are ready for bigger broader multi-dimensional responsibilities
- **Boost** performance when teams need to execute better + faster, in more demanding competitive markets
- **Smooth** rough edges when personality or authority clashes make it difficult to hear and trust each other
- **Upgrade** "how we do things" when new domain experts recommend better tools, techniques + practices
- **Strengthen** executive presence at moments of truth that require confidence, gravitas and openness
- **Win** confidence to expand in key accounts + equip champions to shorten approvals and sales cycles
- **Hire** better - with assessments that equip you to make informed decisions + invest in skills to get up speed fast
- **Solidify** a culture to deliver a superior experience as a trusted partner in success deploying your innovations
- **Multiply** the value of your network champions and KOLs who serve as advocates, connectors and solution-finders
- **Instill** accountability + positivity so commitments are met + quality, customer success + safety standards win trust
- **Revitalize** teams who need a joyful positive way to deal with uncertainties, turbulence, scrutiny, cost + time constraints and other pressures that raise the bar

**Dr Merom Klein PhD
Dr Louise Yochee Klein PsyD
& a network of global associates**

25+ years accelerating growth as business psychologists, courage experts, workshop facilitators, sales + customer success culture-shaping + human capital advisors, and executive coaches.

Known for uplifting, confidence-building pragmatic leadership counsel — to optimize

your impact in high-stakes enterprise-vital conversations. Klein + Klein show you how to make courage stick, with culture-shaping organization operation tools, that encode courage-building habits into your team's DNA and into the DNA of the champions who give your enterprise a network multiplier effect as board members, Pls, KOLs, investors, buyers and collaboration partners.

Check out Klein + Klein's latest book, *Courage to Champion*, about the 5 leadership secrets that equip you to profit through turbulence and take charge to drive adoption, rather than wait + hope for adoption.
